Structure, Governance and Management

The Charity is an unincorporated association. The governing document of the Charity is a Trust Deed made on 25 February 1993.

Under the Trust Deed there is no formal organisation structure. Mr M J Oglesby is the Patron and acts as Chairman at any meetings of the Trustees. All Trustees are familiar with the practical work of the charity. Any new Trustee is fully briefed by the Chairman on all aspects of the charity, including its operational framework, future plans and objectives and current financial position.

The trustees seek to maintain a reserve of at least 50% of the previous year's income unless a major project is contemplated then no more than two years income.

The trustees have not identified any major risks but should any occur they will establish systems to mitigate those risks.

Objectives and Activities

The objectives of the trust are to apply the income of the trust fund together with any part of the capital of the trust fund to assist in such general charitable purposes as the trustees may from time to time determine.

There have been no changes in the trust's objectives since the previous year.

Under the Trust Deed, the trustees have unrestricted powers to invest in stocks and shares, property or other investments as the trustees in their absolute discretion think fit.

Achievements and Performance

The Trust remains extremely active and donations increased substantially during the course of the year. This was due to direct funding from the Trustees as well as the income received from Bruntwood Ltd, which continued at a similar level to previous years.

Requests for financial help remain high and, given the financial downturn in the economy, it is expected that this will only increase during the course of the forthcoming year.

Income this year increased to £818,767 and donations made again were up, amounting to £693,367. Smaller community based organisations were, once again, supported through grants of under £1,000 through the Community Foundation. In the six years that the Trust has been active in excess of £3M has been donated to a wide variety of causes.

Financial Review

Our reserves continue to grow and now stand at £596,130. The trustees have a policy of gradually increasing this, year on year, whilst accepting that our main aim is to distribute the majority of our income during the year in which it is received. Once again we start a new financial year with substantial forward commitments from the previous year due to the long term commitments made to a number of organisations.

The board of trustees continue to work well together with the workload spread across all members. The family commitment to the trust and its long term aims is a fundamental part of the relationship and is central to the Family Charter.

The trustees consider the results for the year to be satisfactory.

Plans for Future Periods

The trustees believe that the reserves held in the fund are adequate to ensure that the trust can achieve its objectives.

Statement of Trustees' responsibilities

The trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records that disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 1993, the Charity (Accounts and Reports) Regulations and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditors Report

To the trustees of the Oglesby Charitable Trust

We have audited the financial statements of the Oglesby Charitable Trust for the year ended 30 September 2008 on pages 7 to 10. These financial statements have been prepared under the historical cost convention and the accounting policies set out on page 8.

This report is made solely to the charity's trustees, as a body, in accordance with Section 43 of the Charities Act 1993 and regulations made under section 44 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

The trustees' responsibilities for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Trustees' Responsibilities.

We have been appointed as auditors under section 43 of the Charities Act 1993 and report in accordance with regulations made under section 44 of that Act. Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Charities Act 1993. We also report to you if, in our opinion, the Trustees' Annual Report is not consistent with the financial statements, if the charity has not kept proper accounting records, or if we have not received all the information and explanations we require for our audit.

We read other information contained in the Trustees' Annual Report and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charity's circumstances, consistently applied and adequately disclosed.

Independent Auditors Report continued

To the Trustees of the Oglesby Charitable Trust

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion:

- the financial statements give a true and fair view of the state of the charity's affairs as at 30 September 2008 and of its incoming resources and application of resources in the year then ended and have been properly prepared in accordance with the Charities Act 1993: and
- the information given in the Trustees' Annual Report is consistent with the financial statements.
